

THE BOAT PROJECT

DONATION DAY

RLymYC - 10 JULY, 1-7PM

IMAGES © LONE TWIN

Lone Twin invites you to be a part of an extraordinary project

As people all over the world gather to celebrate the London 2012 Olympic and Paralympic Games, a remarkable boat will set sail on its maiden voyage. The boat, crafted by a fearlessly adventurous team of boat builders and volunteers will be made from the lives and memories of people across the South East. But before any of this can happen, we need a piece of you...

We'd like your wood - but not just any old wood. Whether it's a pencil or a piano, extraordinary or mundane, we want something that's a part of you, something with a story to tell. Come and tell us that story - your donated wood will be used along with donations from thousands of others to build this unique 30ft sailing boat, a living archive of our lives.

Drop in, meet the boat-building team, make your donation and discover other

ways you can help with the project. We can't wait to meet you.

The Boat Project is part of Artists Taking the Lead, a series of 12 public art commissions across the UK to celebrate the London 2012 Cultural Olympiad. The Boat Project is the winning commission for the South East region and is funded by Arts Council England.
